Come celebrate the holidays by joining F.A.C.E. and The Neighborhood Parks Council (NPC) for an afternoon of holiday card making and other crafty fun. Help us thank our park volunteers too.

Join your friends and neighbors for an afternoon of creativity! Bring yourself, your kids, paper scraps, old cards, unfinished art projects and cookies to share!

- ❖ We will be making holiday cards and collages from found objects and recycled cards. We will supply paper, envelopes, glue sticks and other craft and art supplies. But feel free to bring your own decorative stamps, stickers etc. to add to your masterpiece
- ❖ There will be light refreshments. (Holiday cookie donations are welcomed!)
- ❖ Help us thank our park volunteers who have worked so hard during the past year.
- ❖ Learn about Park Scan, the great tool for reporting parks issues or positive feedback.
