

Hi, Steering Committee Members....we are overdue for our yearly FACE general membership meeting. We have a little bit of business to conduct....I will put an agenda together very soon. But I wanted to find a date for our meeting. It is mainly social with as you know so we need to have it somewhere that where we can eat and drink. I would like to propose that we meet at our old standby: The Granada Cafe on **Friday, Feb. 29th. 7PM**.....in the back room (we could try out some new places, but we would like to have a place where we could have a drink and where we could be heard, for the meeting portion).

So....

Can you make that date?

We need to elect our steering committee for 2008--do you want to stay on the Committee another year?

We will put out a general announcement to the membership, so let me know soon if this date works for you.

thanks, Linda
